Dear Friends in Christ,

Edwards Key points -

- Year 37 CE is covered in Acts 6 - 9
- A massive change in leadership in Rome (p. 47) through illness and assassination.
- Deacon Stephen is arrested and executed through stoning for blasphemy against the Jewish religion
- Saul/Paul gets authority to persecute the Christians.
- Paul going to Damascus to persecute sees the light and is confronted by Jesus and blinded by the light.

My Thoughts-

- A new ministry founded based on how food was being/not being distributed to widows of the faith.

- Deacons - people designated to serve the Church - established in 6:1-7
- Numbers of Church grew in Jerusalem even to include some of the priests of the Temple (6:7)
- Stephen preaches, accused of blasphemy, and interrogated by the High Priest and his council.

How would you stand up for the faith?

In Christ,
